

Upcoming

I just wanted to send out a quick preview of our mission-related activities over the next few months. In just a few days I will once again chair the Global Teams “face-2-face” board meetings that will take place in Orlando, FL. God has been blessing GT in a number of historically gospel-resistant lands and we are generally encouraged.

I will arrive back from GT on Saturday PM, preach at our church on Sunday, then Sunday PM drive our college mission team to Chicago to fly out to Nicaragua. You can be in prayer as we have a very tiring travel schedule in order to reach the island before the last ferry leaves Monday PM. The Nicaragua team consists of 4 college students (including Bethany) and myself. In addition to doing whatever would be helpful for our host missionaries’ ministry, I am taking the opportunity to challenge them about the call to missions or supporting missionaries. We are also carrying in a number of donated items to help in computer vocational training and clothes for the needy.

As you may recall, our church sent out its first missionary couple several months ago. This July Tammy & I will travel to meet with them in Cancun, Mexico. Beyond trying to be of encouragement, we will also be checking out the logistics of bringing a church team back in 2013 to work with Back2Back.

From Cancun we will then fly to Mexico City, Mexico to spend a few days with another young missionary couple with whom our church partners. Again it is our desire to offer whatever friendship and counsel that may be appropriate.

Thanks to those of you who help make this feasible. If others would like to participate, checks can be made out to Faith Community Church and mailed to the address on the right. Gifts given to the Pastoral Mission Fund are used only for mission-related expenses like travel, equipment, food, and blessing local missionaries. I give a full financial accounting through our local church missions committee and treasurer of all income/expenses.
